

Website Proposal

Paola Molina

Plan

- Business site

- Landscaping Company

- Things I want to include:

 - Simple home page that links to other tabs

 - Concise services offered page

 - Gallery/portfolio for work done

 - Announcements slideshow

 - Payments/request page

- Updates when there are announcements (season), when new photos of projects are taken, and when a customer request an estimate, makes a payment, or leaves a message.

TAILORED
OUTDOOR LIVING
designed exclusively
for you

For over three decades, one landscaping firm has been far exceeding the expectations of Chicagoand residents. At Cityscape Landscape, we pride ourselves on our impressive versatility. We are a full-service landscape design and installation company focused in the city of Chicago. If you're looking to revamp your urban living space, our certified technicians are standing by to complete the task.

Our team boasts years of experience in the field. Whatever the parameters of your design, you can rely on Cityscape Landscape. Simply point us in the right direction, and we'll take care of the rest.

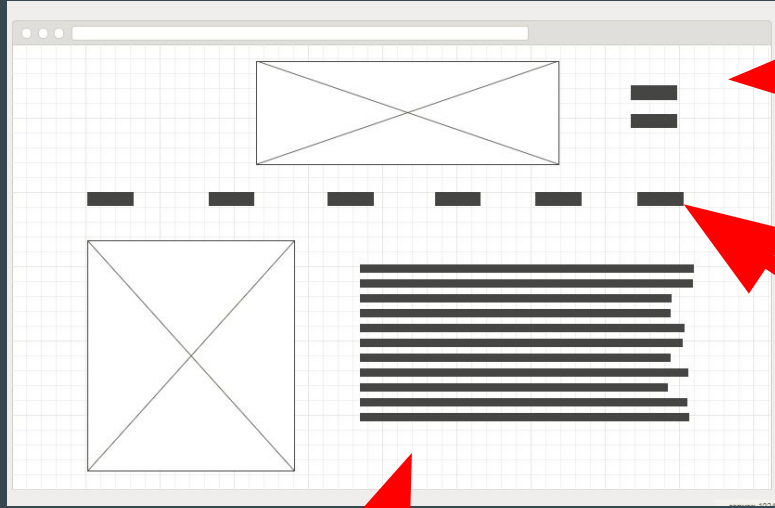

Flowchart

About Us page will have clickables that go to other tabs.

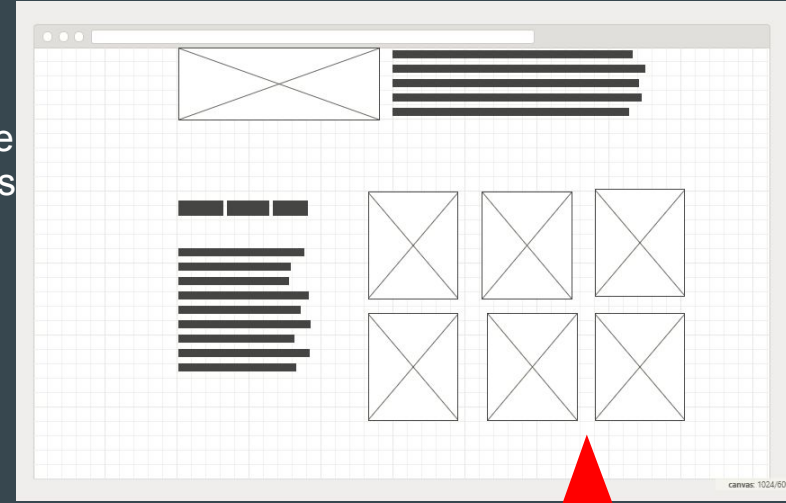

I am not sure yet where to include the Announcements Slideshow.

WireFrames - Request Estimate Page

Two clickable buttons: when you click on request estimate, this page will pop up and you can request an estimate.

WireFrames - Contact Page

A wireframe of a web page titled "Contact Us!". The page is set against a light gray grid background. At the top, the title "Contact Us!" is centered in a bold, black font. Below the title, there is a light gray rounded rectangle containing contact information. Inside this rectangle, the text "CALL 123-456-7890" is centered, followed by "abcdefg@gmail.com". Below this, there is a white rounded rectangle with a black border. Inside this white box, the text "Send a Message:" is centered. Below this, there are four labels: "Name:", "E-Mail:", "Phone Number:", and "Address:", arranged in two columns. Below these labels, there is a "Subject:" label. At the bottom of the white box, there is a "Message:" label. The entire wireframe is enclosed in a light gray border with three small circles in the top left corner, suggesting a browser window.
